East-West Living & Learning Community

Live in Ashokan Hall on campus with students studying Chinese and Japanese languages and cultures and with students from China and Japan. (1 credit/semester)

[Website here.](#)

Plan and execute events and activities that highlight Chinese and Japanese culture, such as the Asian Studies annual Fall Festivals and Lunar New Year Celebration.

Excellent preparation for students who will study abroad and for returnees to maintain their language skills. Make friends and engage in cultural exchange.

Asian Studies Program

Japanese language, literature and culture courses count toward the Asian Studies Program, an interdisciplinary course of study that draws from numerous departments on campus. For more see the [official college homepage](#) and the [Asian Studies Hawksites page](#).

Explores diverse topics and themes on the literary, cultural, philosophic-religious, aesthetic, social, institutional-political, educational and other related spheres of Asian people and civilizations

Prepare for several career areas: International trade and industry, teaching and academic research, government (e.g. Foreign Service) and NGOs, and more
