Don't Tell Anyone (No Le Digas a Nadie)

A Film by Mikaela Shwer

In an environment where silence is often seen as necessary for survival, 24 year-old Angy Rivera steps out of the shadows to share her parallel journey of being undocumented and sexually abused, an ordeal all too common in her community. *Don't Tell Anyone (No Le Digas a Nadie)* follows immigrant activist Angy's personal story from poverty in rural Colombia to the front page of The New York Times as she becomes a beacon in a movement for national change.
