Be more excited to teach this stuff. You know it. You've done the research. Be excited to impart your knowledge on me.

Professor Le Vine is a great professor. I believe he is one of the best I have had throughout my time at New Paltz. He is very understanding and always willing to help out his students. His

lectures are always engaging and his teaching style allows for students to participate. He is always willing to go out of his way to research a question if he can not answer it immediately in class. He is an individual I speak very highly of to my fellow classmates.

.....

Professor Le Vine was a fantastic professor that made Economic Geography a pleasure!

.....

I'm really glad that the school hired you, and I am thrilled that I decided to pick up the Geography major just as you began to work here. You are very kind, funny, and smart and I thoroughly enjoy spending time with you during your office hours. You're incredibly helpful, and it's clear that it is your goal to give your students every opportunity to do well in your class. None of my fellow students ever has anything bad to say about you, and we all agree that you make a great addition to the department.

.....

Professor Le Vine is the best professor ever! He is so engaging and really sets you up for success. I like the way he combines lecture and conversation among the class. I love going to his class, he is so funny and I love his examples for things and his jokes.

.....

Professor Le Vine truly made my first semester here wonderful. He has sparked my new found interest for Economic Geography and I am so glad I took his course. Furthermore, he always makes himself available to help his students and is a very knowledgeable man.

Good teacher, just sort of a bland subject
