This professor is excellent. Truly cares for students to do extremely well in his class. Does everything he can to get your extra points and extra credit SOOOO fair. Easy to communicate with, tests match up 110% to study guides and notes. Second time taking him and hoping to take again.

The class was taught at a perfect pace. exams and assignments were extremely fair and relevant to course information

Professor Levine tries his hardest for everyone to understand planning concepts. Personally, I don't fair well with strictly lectured styled classes so I was disengaged at times. It would help for more interactive class settings such as activities.

Loved having so many speakers come talk to the class! Thank you for such a great opportunity!

---

A very well put together class. I definitely enjoyed it .

---

Thank you for adding the guest lectures and having us do the plan studies/presentations. They really make the course applicable.

One of the best teachers at New Paltz, hands down.
