Courseworks were good and useful and did reflect what would be on the exam

I think engaging the class a bit more by with interesting discussion that relates to the topic would help make the class a bit more interested in what they're learning.

Keep class as is

Professor Scott Le Vine is great. he is very clear about what he expects from the course. I went to his office hours a couple of times and he was extremely helpful, he is also very understanding. He is very smart and passionate about the subjects he teaches.

My experience was amazing. He made class fun and interesting. His grading practice is fair.
