I felt that though the textbook was a helpful tool, it should not be required.

Offer as a online course perhaps.

I had an excellent experience in this class. LeVine is an excellent professor and all around great guy. He was willing to help me with an assignment last minute and is always willing to be flexible if necessary. Helpful feedback on courseworks and assignments. Great guy, great class and I look forward to having him again next semester for issues in planning.

An excellent educator. Always promoting and helpful and attentive to the needs of students.
