I genuinely enjoyed the course, the guest speakers were great and everything reflected the material being learned in the classroom appropriately.

Very good teacher, not much to improve on.

He was one of the few professors I had this semester that was very well organized and informed about the material being taught, I would not change a thing.

A very productive and engaging environment was set early on and maintained throughout the course.

An environment ever professor should strive to create for their students. Incredibly helpful, understanding and makes you want to learn the subject matter.

yes

Amazing professor. As somebody not in the major program I can honestly say he kept me engaged and curious throughout the semester.

One of my favorite teachers to have at SUNY New Paltz. Very organized, fair and considerate. Wish he taught every class!

I really enjoyed Professor Le Vine's class. He was very precise on what he expected from you. He is genuinely passionate about his class and wants to help you in anyway possible.
