

**Assessment** Manipulating Sounds

Name \_\_\_\_\_ Date \_\_\_\_\_ Number of errors \_\_\_\_\_

**DIRECTIONS:** First read a word. Say the beginning sound in the word. Then say a different beginning sound. Tell the student to replace the beginning sound in the word with the new sound to make a new word. Have them say the new word. Place an X in the box at the right for each error made. Practice manipulating the first word.

**PRACTICE:** Say: *I am going to read a word. I will then say the beginning sound of the word. Read: Bake. Say: Bake begins with the /b/ sound. I will say a different beginning sound. The new beginning sound is /k/. Now I will replace the beginning sound /b/ in the word bake with the new /k/ sound. The new word is cake. Now you try to make a new word by replacing the beginning sound with a new sound that I will give you.*
