OLD BUSINESS 9:15 PM

Motion to Open: Mohonk
Second: Bouton

Secretary

Matt O: I have results from the Facebook challenge for the riddle in the minutes! Can I get a conference clap? Third place was Shawangunk, second place was Awosting, and first place was College-Shango. I asked you which current member of the RHSA E-Board is graduating next month. It's Noah! I'm going to miss you dude, but I know you're destined for great things!

Historian

Noah: Hi everyone! I have the social media challenge results from last week, so conference clap again! For the Insta challenge, 3rd place was Mohonk, 2nd place was Shawangunk, and 1st place was Lenape! For the Remind challenge, 3rd place was Scudder, 2nd place was College-Shango, and 1st was Shawangunk! Quick reminder that if you want to make any memes tonight to pass some time while we're all isolating, you still have until midnight to send them in!

Student Advocacy Committee

Matt O: Thanks for coming to the Matts' Instagram Live Session this past Wednesday night! We really enjoyed it, we hope you did too, and the E-Board may be doing more takeovers before the semester ends!

Buzz IO Game Night

Matt K: Thank you everyone for coming out where we played some nice games, where I learned to spell, and we got a good turnout! I hope you all had a good time playing games and making Clare one step closer to Twitch famous.

Paint and Sip

Sarah: Thank you folks for coming out to our Zoom Paint and Sip, your art looked BEAUTIFUL, we did a lovely northern lights scene, this is mine! I hope you guys had fun, I know I did!

Motion to Close: Ridgeview
Second: Lenape

NEW BUSINESS 9:18 PM

Motion to Open: Scudder
Second: Ridgeview

Conference

Serena: We are still waiting for an update from them, but for now, we are putting out an intent form so that we are not spamming all of you with emails, so if anyone thinks they would be interested in applying for this conference, we will ask for your name, email, and if you are interested or not, so I can start a little list and I can email you guys that location. If anything does end up happening, it's going to be a virtual version of a conference. I completely recommend everyone who is going to be on new E-Board to definitely go click that link right now and just anyone who wants to apply, if you've been to one, haven't been to one, we are not entirely sure how many people we can take so if you think this something that interests you, fill out the form and I think that everyone can benefit from this.

Banquet

Sarah: Banquet is next Monday at 8PM, here on Zoom! The theme is going to be Zoom University, so it's dress to impress on the top, but feel free to wear those sweats or pajamas on the bottom. We are also doing something fun and different this year. While we cannot be there in person to feed you, we recognize that an important part of banquet is the food! This is why the first 30 people that RSVP to banquet on our online form, get a \$10 voucher for food delivery, so you still get some fun banquet food! The form will be sent out in the email blast on Wednesday, so please take a look at that when you get a chance and send it in quick so you can be one of those lucky 30! Can't wait to see your Zoom Banquet outfits next week :)
Also, in order to find out which food delivery service to use, we are going to look at the form that's already out, and use that to determine which delivery service can be used by the majority of y'all, so PLEASE make sure to vote ASAP!

Coffee House

Matt O: This Friday, May 1st at 7:30pm will be our virtual Coffee House on Zoom! I have made a Google Form for all of your submissions! I will share the link with you again, it's on the email blast. You can sign up to perform live, send in a pre-recorded video of yourself, or even a funny video you would like to share! All submissions/acts cannot exceed a PG-13 rating. The deadline for submissions is Thursday, April 30th at 11:59pm. Please perform or submit something! We hope to have a lovely evening with all of you! This is the last RHSA event before Banquet!

Superlatives

Noah: Hi friends! Just like the memes, you have until tonight at midnight to submit responses for the superlatives for the yearbook! It's in a Google Form that was sent out in an email blast, and I'm gonna send it again in the chat right now!

NRHM

Matt K: Hey Everyone this is the last April meeting! And the last AC meeting before the banquet! National Residence Hall Month takes place in April. It is a month to celebrate living in the Residence Halls, which is why we have all done something nice for you:

Matt K: Hey everyone, we just want to say a message from the E-Board of RHSA. We wanted to thank you for all that you do. We wouldn't be here without all of you. We hope that all is well. We think that you are swell. Thank you all for the work you do in your hall. Peace and love are the things we value above. Despite all our fears, thank you all for a wonderful year.

Clare: My dear, dear AC. You guys have supported me so much and helped me grow an incredible amount, and I am so grateful that I have the honor of being your president. I'm so sad this is our last AC meeting before banquet, but I know next year, and in the future you will all continue to grow and thrive the way you have helped me do. I love y'all so much <3

Sarah: Hey guys, I cannot even begin to explain how grateful I am for the opportunity to put on programs for you guys and hang out with y'all every Monday. It has honestly been such an amazing experience, thank you all for making my last year on eboard so unforgettable. I love you guys <3

Johnathan: Hey y'all, thanks for joining and sticking with us for such a crazy year. From the cursed Six Flags bus to our upcoming virtual banquet, this has been a year to remember and I'll be forever thankful for. We've shared a lot of highs and lows together, but there are much better things on the horizon. We've come so far, but got so far to go and we can't wait to see what you do next.

Serena: You guys have really made this such an amazing year, I cannot stress how much happiness and joy you have genuinely brought into my life being so interactive and I have made such good friends with a few of you and would just really like to thank you all for this experience.

Kevin: Hey AC! I wanted to thank you so much for letting me be myself and do what I love for you everyday! You've given me the chance to grow and learn to be a better leader, friend, and person. I admire the dedication that a lot of you put into the community, and we are extremely lucky to have you. I'll forever treasure the memories we made, and look forward to seeing what you all do next!

Matt O: I appreciate each and every one of you! RHSA and these meetings have meant a lot to me, so thank you for your continued dedication! I hope that I had a positive impact on a lot of you, but at the same time, all of you had positive impacts on me!

Noah: Hi AC! I miss you all so much and I'm so grateful to y'all for how amazing you've been this year! You all have made all of our meetings and events so fantastic and it's been an honor being able to photograph you all! Thank you for always playing along with all my social media challenges and for all the memes, and although I may be graduating, you can expect me to visit! R-O-C-K, YOU ROCK, YOU ROCK!

UPCOMING EVENTS 9:33 PM

- Coffee House (Friday, May 1st at 7:30pm, Zoom)

- Banquet (Monday, May 4th at 8pm, Zoom)

STUDENT CONCERNS 9:34 PM

Clare: If you have general concerns for things going on campus wide (something's broken, wrong, administrative concerns, faculty concerns), this is your moment to tell us so we can relay the information to the administration. However, if you have any food concerns (type, quality, price, location, or the water), we will not hear them at this point but you can email us at rhsa@hawkmail.newpaltz.edu. Matt and Matt are going to the personal safety committee on Friday, so if anyone has anything specific for that, please let us know.

Ridgeview: My only concern is that this meeting is so short.

OPEN FLOOR 9:35 PM

Clare: If anyone has any other digital events going on that they know about or would like to share with the AC now is the time to do so!

Clare: John Krasinski from The Office has a show called "Some Good News" on YouTube! It's really nice to watch!

Bouton: My switch friend code for animal crossing is in the RHSA Discord.

Kevin: Follow me on YouTube.

Ridgeview: I just wanted to thank the RHSA E-Board for continuing this during the pandemic. This and these meetings and RHSA has been the only thing that has kept me sane for the past month and a half that we've been through this experience and I want to thank all of you for that, including the AC. It's sad to see it end, but I'm really happy to have been a part of it! Thank you! *Besides Noah, can you name a graduating senior who was a past RHSA E-Board member?*

PASSING OF MOLLY THE MOOSE 9:39 PM

Clare: Bliss gave Molly a crown. I see that Lenape is the only hall saying that they haven't gotten her this semester.

Bliss: We will give her to Lenape!

Clare: Next week you will give Molly back to us and we will give her big virtual hugs!

QUOTE OF THE WEEK 9:41 PM

Sarah: So the quote I've selected this week is, "Your productivity does not determine your worth." It's really easy during times like these to try to compare yourself to others, but at the end of the day, your worth is not measured by what you accomplish each day, so be easy on yourself. You are all doing great and we'll all get through this :)

ADJOURNMENT 9:42 PM

Motion to Adjourn the Meeting: Chrissy
Second: AC

See you at Banquet on Monday at 8pm!

This would be funny except there's
no punch line...
