SENATE & NYPIRG | 9:08PM

Chet: SA Elections are open right now. I highly encourage everyone to vote. These are people who are going to represent you in the E-Board in the Senate next year or next semester depending on the position. Also there is a referendum there requires 10% of the school to vote in

order to keep the Student Activities fee mandatory. That's the fee that funds every club on campus. It really needs to stay mandatory and we need 10% of students to vote in order to keep it mandatory. I highly encourage everyone to go through, look at all the different candidates to see who best represents you, what you want to see from the school and also vote on that referendum.

Jordan H: 697 is the magic number.

Chet: Yes, that's the big number. I hope that you all do and spread this information to your friends. This is a very big thing for SA.

NRHH | 9:10PM

Matt: Stayed tuned for an NRHH report next week.
